AREA GUIDE

LOCAL AREA INTRODUCTION

Our base in Alimos, just south of Athens, is situated perfectly for sailing the serene Saronic Gulf.

An Athens sailing charter offers up a vacation as diverse as your sailing crew and there is something for everyone. Experience impressive historical ancient ruins to open-air markets, secluded Greek islands to vibrant nightlife and delicious food. You'll also enjoy warm hospitality and the famed Greek cuisine.

It goes without saying that the beaches, swimming and snorkeling in the crystal blue-green waters can't be missed on an Athens sailing charter.

TOP THINGS TO DO IN ATHENS:

1. See the view from the Temple of Poseidon: Head to Sounion and walk among the giant gleaming white columns that date back to 444 BC and enjoy expansive views over the distant Greek islands. As one of the top things to do in Athens, it can get busy, so a visit here is best first thing in the morning, or at sunset.

2. Lunch and sunbathing at Love Bay: This scenic little bay on Poros offers a day of relaxation with sun loungers, divine views and refreshments on tap. Stop for a snack and stay for a delightful swim.
3. Horseback riding in Hydra: With no cars permitted on the island, it's the perfect activity for touring the best of the island's scenery. There are a few different outfitters offering horseback riding.
4. Cafe hop in Poros: Spend a day in Poros, meander along the quaint streets, enjoy a few cafes while you people-watch and take in the stunning scenery in every direction.
5. Ancient Greek Theatre of Epidavros: One of our top things to do is spending some time touring this ancient amphitheater, famed for its classic Greek construction and astounding acoustics. This UNESCO-listed monument is even still used for concerts today, now that is a feat of sound engineering!
